

«Пожалуйста» на английском

Hello my friends! Today's post is going to be about a very useful and popular word in a conversation. The word is «Пожалуйста».

If we want to use «пожалуйста» for a question, there is only one word in English and I'm sure you know it. The word is «please»:

Could you please do me a favor?

Could you please tell me where can I find Ann?

Could you please help me?

If someone thanks you for something we usually use such phrases in Russia as: пожалуйста, не за что. Let's see what phrases English speaking people usually use in their speech.

1) The first and most common phrase is «you are welcome».

— Thank you for it!

— You're welcome!

2) The second good phrase is «not at all». It's an equivalent of our «не стоит благодарности». Also we can use this phrase when somebody apologises. For example:

— It's so kind of you! Thank you very much!

— Not at all.

— Oh I'm sorry, my fault!

— Not at all.

3) The third phrase is «don't mention it». It has the same meaning as «not at all».

— I'm sorry!

— Don't mention it. It's ok.

— Thank you for your help.

— Don't mention it.

4) The next good phrase is «it's a pleasure». It means «всегда рад, мне только в радость и т.п.»

— Thank you my friend!

– It's a pleasure!

5) If you want to say «без проблем», you can say «no problem».

– Thanks for your coming.

– No problem.

6) And the last good phrase is «anytime». It means «всегда рад».

– Thank you so much!

– Anytime!

That's it my friend. I hope these phrases will help you to expand your vocabulary. Take care!
