

«Это зависит от...» на английском

Hi everyone! In this short article I'm going to tell you about two good phrases. Both of them mean the same «это зависит от...». It's very popular expressions and they're widely used in a conversation. Try to remember them!

The first phrase is «*It depends on...*». Very simple, for example:

It depends on many factors.

I don't know what I'd say, it depends on the situation.

Depending on the weather, we'll go on foot or take a taxi.

It depends on you.

Related words and phrases:

to depend — to have something that influence you a lot.

dependent on...

He's dependent on me.

independent — not dependent.

I'm independent.

The second phrase is «*It's up to...*». A very nice and so useful phrase.

It's up to you when to turn off the light.

It's up to us.

— What will we do tomorrow?

— I don't care. It's up to you.

That's it! «*It depends on...*» and «*It's up to...*». Two very simple and useful phrases!

Keep learning English and take care!
