Глаголы prevent, predict и pretend.

Hello everyone! In English there are many words which sound very similarly, and pretty often people get confused of them.

For me such words were the verbs *prevent, predict* and *pretend*. I remember that I always forgot them! I wrote them out, I made sentences with them, but anyway, when I had to use them in a conversation, I could not remember them!

So today I'd like to tell you about their meanings and give you some examples how you can use these verbs in your speech!
