

Употребление фразы never mind

Hello my friends! In this short article I'd like to tell you about a good phrase — Never mind. Do you know what it means? If you don't, let's clear it up!

«Never mind!» is equal our «Ничего страшного, неважно, не заморачивайся, не бери в голову» etc. So is you want to say that something is not really important you can say — never mind!

For example:

— Oh no! I forgot the book you gave me last week!

— Never mind! You can give it back next time.

— Sorry! I don't quite understand what you mean.

— Ok, never mind.

— It seems to me I took your place.

— Never mind! I'll take another one.

— It seems to me I took your place! I'm sorry!

— Never mind! I'll have another one.

That's it my friends. Use this phrase. It's a very good one for a conversation.
