## **B1 Dialogue #17 Talking about movies.**

Hi everyone,

Today we are going to talk about movies. As always you can read the text in PDF. All the links in the description. Also you can use the subtitles, if you need it.

**(1) What top 5 five movies would you recommend to watch in English? - Какие 5 лучших фильмов вы бы порекомендовали посмотреть на английском языке?**

My favorite movies are: The Game, The Shawshank Redemption, Seven, Forrest Gump and Shutter Island.

**(2) Would you like to work in the movie industry? - Хотели бы вы работать в киноиндустрии?**

I think that it's interesting to work in the movie industry. So I would try.

**(3) Why are movies called movies? - Почему фильмы называются фильмами?**

Before movies there were photographs, which didn't move. First movies were basically photographs that were strung together and played through something, so it appeared that they were moving. So that's why we call it a movie.

**(4) Which movie would you like to live in? - В каком фильме вы бы хотели жить?**

I'd like to live in some good and kind movie, like The Secret Life of Walter Mitty. It's an awesome movie. I recommend it for everyone.

**(5) What's the best movie you've ever seen? - Какой лучший фильм вы когда-либо смотрели?**

In the 90s Hollywood made a lot of perfect movies. My favorite one is The Game with Michael Douglas.

**(6) Do you prefer watching movies at the cinema or on TV? - Вы предпочитаете смотреть фильмы в кино или по телевизору?**

If it's an action with or a horror, I prefer watching it in the cinema.

(7) **Who is the biggest movie hero for you? - Кто для вас самый главный герой фильма?**

I don't know really. I've never thought about it. I really like the soviet ones about war: Hot Snow, Fate of a Man and others. Those people are the biggest heroes for me.

(8) **Which country makes the best movies? - В какой стране снимают лучшие фильмы?**

The United States are the best in this industry of course.

(9) **Who is your favourite movie star (and why)? - Кто ваша любимая кинозвезда (и почему)?**

I like Matthew McConaughey and his character in True Detective. There are a lot of other movies with him. He is a strong actor.

(10) **What's the worst movie you've ever seen? - Какой худший фильм вы когда-либо видели?**

Almost each movie that Hollywood makes now is terrible. I can't watch them.

(1) **Are movies good for us? - Кино полезно для нас?**

Yes of course. We can learn a lot of right things from good movies.

(2) **Do you think movies make people more violent? - Как вы думаете, фильмы делают людей более жестокими?**

No, I don't think so. Some movies are just not acceptable for children of course. So parents should take care of it and show only appropriate movies to their kids.

(3) **What movie genre do you like best? - Какой жанр фильмов тебе больше всего нравится?**

I like movies about love. They are so romantic. Dramas are also good. One of my favorites is Legends of the Fall with Brad Pitt and Julia Ormond.

(4) **Which actress would you want to play you in a movie about you? - Какую актрису вы хотели бы видеть в фильме о себе?**

Some people say I look similar to Natalie Portman. So I think she is the best person that can play in a movie about me.

(5) **Would you like a job as a movie critic? - Хотели бы вы работать кинокритиком?**

I am not sure I can do this, but I would definitely try. I like watching movies.

(6) **What things make a great movie a great movie? - Что делает отличный фильм отличным фильмом?**

Scenario is the most important thing. Actors and directors are also very important.

**Расскажите, когда вы впервые пошли в кинотеатр?**

When I was 18 years old I think. Pretty late.

Documentary is better.

(10) **Who do you like watching movies with? - С кем ты любишь смотреть фильмы?**

With a loved one of course. Going to the cinema is a good idea for a date.
