I'm not a big fan of Harry Potter, but I definitely like this story. I've read all the books and watched all parts of the movie.

(2) Do you think the Harry Potter series is a literary classic? - Считаете ли вы серию о Гарри Поттере литературной классикой?

No, I don't think so. It's not a literary classic yet. Maybe it will become a literary classic in the future. We will see.

(3) Have you read any of the Harry Potter books in English? - Вы читали какие-нибудь книги о Гарри Поттере на английском языке?

No, I haven't. When I read these books I was a child and didn't speak English very well. It was difficult for me. But now I think it would be a good idea.

I have never thought about it before. But I'm not surprised. It's obvious. Harry Potter is one of the most widely read novels ever written. As I know Harry Potter has sold out about 500 million copies in the span of about 12 years!

(5) What would you do if you were a witch or wizard? - Что бы вы сделали, если бы были ведьмой или волшебником?

I would go to Hogwarts School of Witchcraft and Wizardry.

(6) Religious groups say the Harry Potter books are dangerous as they promote witchcraft among children. What do you think of this? - Религиозные группы говорят, что книги о Гарри Поттере опасны, поскольку они пропагандируют колдовство среди детей. Что ты думаешь об этом?

I don't think so. The magic in Harry Potter is not dangerous, because it's a fairy tale as well as Cinderella, Snow White, The Lord of the Rings and others.

(7) Do you think J.K. Rowling should write an eighth Potter book? - Как вы думаете, Дж.К. Роулинг должна написать восьмую книгу о Поттере?

No, I don't think so, because the whole story is over. The enemy is destroyed. Life is good. Children go to school and so on.

(8) What impact has Potter made in your country? - Какое влияние Поттер оказал на вашу страну?

I think it's like in other countries. Potter has made a lot of fans among children and adults. We like watching Harry Potter on Christmas holidays. Only good impact, nothing bad.

(9) The Harry Potter books took 17 years to write. Can you imagine spending so long on a creative project? - Книги о Гарри Поттере писались 17 лет. Можете ли вы представить, что тратите столько времени на творческий проект?

If I really enjoy it and it brings me money, why not?

(10) What questions would you like to ask J.K. Rowling, the Harry Potter creator? - Какие вопросы вы хотели бы задать Дж.К. Роулинг, создательница Гарри Поттера?
