

## Курсы английского за рубежом!

Kaplan International English company is a leader in the learning English abroad sphere. It helps foreign students to get a high quality education in such countries like USA, GB, Ireland, Australia, New Zealand and Canada. Students have a great opportunity to combine interesting studies with travelling to English speaking countries. As Kaplan is a team of qualified teachers that use the latest English learning materials, 94% of students recommend it to their friends and relatives.

People with any level of English are allowed to attend Kaplan International English schools. Even if you're a beginner, we'll find a course which fits you the best. Coming to school, students take a special test which defines their level and helps teachers to find the most suitable classes for them. It lets students take a course in a calm and most effective way.

Kaplan International Company offers a number of different English courses. That's why each student can find what he needs. Going to one of schools to take a course of General English you could improve four core skills: reading, writing, listening and speaking skills. Also you'll have a plenty of time to see a new country. If you'd like to get as much information as possible in a short period of time, a special intensive course is exactly what you need. This program includes different sorts of discussions of many popular topics. If you need to improve the business language, there is a course of Business English too. This course will teach you to talk at meetings and will expand your business vocabulary.

If you want to enter some American or British university, you have to supply your TOEFL, GMAT or IELTS results. Without them you will not be allowed to study in foreign universities either. Kaplan can prepare you for taking these exams. Also it could help you to prepare for such important exams like FCE, CAE and CPE. These courses are very useful for those whose English is pretty good already and who just wants to improve it to the native speaker's level. The validity of these exams' results are not limited whereas TOEFL and IELTS valid for only two years.

Kaplan is always improving their learning materials and methodic of teaching. All schools in GB use only exclusive K+ textbooks that were published special for our students. That's it my friends! Keep learning English and take care!
